STATEMENT OF PUBLIC PURPOSE

Public Purpose of Cooperative Endeavor. In accordance with Article VII, Section 14(c) of the
Louisiana Constitution, the Parties enter into this Agreement for the public purpose of
maintaining an academic medical center in which the Parties continuously work in collaboration
and are committed and aligned in their actions and activities, in a manner consistent with a
sustainable business model and adequate funding levels, to serve the State and its citizens: (a) as a
premier site for graduate medical education, capable of competing in the health care marketplace,
comparable among its peers, with the goal of attracting the best faculty, residents and students, to enrich the State’s health care workforce and their training experience; (b) in fulfilling the State’s historical mission of assuring access to Safety Net Services to all citizens of the State, including its Medically Indigent, high risk Medicaid and State inmate populations; and (c) by focusing on and supporting the Key Service Lines, as defined and agreed by the Parties, necessary to assure high quality GME Programs and access to Safety Net Services.

Contract Monitor. LSU shall appoint a contract monitor (the “Contract Monitor”) whose role shall be to monitor the Parties’ compliance with the terms of this Agreement. The Contract Monitor shall be an employee of LSU or a successor or related institution under the supervision of the LSU Board of Supervisors. The Contract Monitor’s responsibilities with respect to this Agreement shall be to perform all public accountability and reporting functions in accordance with Legal Requirements. LSU may assign such other duties and responsibilities to the Contract Monitor as it may determine in its discretion.

• LEASE OF FACILITIES AND EQUIPMENT AND ASSET TRANSFER

BRFHH Lease of the Hospitals’ Operations and Facilities. Contemporaneous with, and subject to the terms and conditions of this Agreement, LSU, the State and BRFHH shall enter into, the Master Hospital Lease Agreement in the form attached as Exhibit 2.1 (“Master Hospital Lease”). Under the Master Hospital Lease, LSU agrees to take all the necessary actions required to transfer operations of the Hospitals as going concerns and possession of the Hospitals’ Facilities to BRFHH. The Master Hospital Lease shall include all property set forth in the Master Hospital Lease (the “Leased Premises”), but shall not include any liens, claims, security interests, charges, privileges, pledges, mortgages, deeds of trust or encumbrances (“Liens”), except as may be further described in the Master Hospital Lease. The rental payments to be paid by BRFHH for lease of the operations of the Hospitals as going concerns and the Hospital Facilities (“Rent”) as set forth in the Master Hospital Lease will represent the fair market value of the Hospitals as going concerns, including the fair market value of the Hospital Facilities and the fair market value of the Transferred Assets.

BRFHH Lease of Certain Equipment. Contemporaneous with and subject to the terms and conditions of this Agreement, LSU and BRFHH will enter into an Equipment Lease Agreement in the form attached as Exhibit 2.2 (the “Equipment Lease”), which will govern the lease of certain equipment necessary for BRFHH’s operation of the Hospitals. The rental payments paid by BRFHH for the Hospital Equipment will represent fair market value, as set forth in the Equipment Lease.

Asset Transfer. Upon the terms and subject to the conditions set forth in this Agreement, including but not limited to Section 13.3(b) following a Terminating Event, LSU will, effective as of the Commencement Date, transfer, convey, assign and deliver to BRFHH, and BRFHH will receive, free and clear of all Liens other than Permitted Liens, all necessary rights and interests in, to and under the following assets and properties of LSU and the following assets and properties used or held for use in connection with the operation of the Hospitals, as the same exist on the Commencement Date (the “Transferred Assets”):

• Consumables and Inventory. All usable inventories of: (a) supplies, drugs, food, and other disposables; and (b) tangible assets valued at less than One Thousand and No/100 Dollars ($1,000) and that are untagged and untracked by LSU and DOA, and are necessary for the operation of the Hospitals and that are on hand at the Hospitals as of the Commencement Date.

• Personal Property Leases. To the extent permitted by law and the terms of the underlying
lease, the leases of tangible personal (corporeal movable) property used in connection with the operation of the Hospitals that are identified in Schedule 2.3(b) (to be attached on or before the Commencement Date) as to which LSUHSC-S is the lessee or sub-lessee (collectively, the “Personal Property Leases”) shall be assigned to BRFHH.

• **Assumed Agreements.** To the extent assignable, all rights and interests of LSU or LSUHSC-S in the contracts, commitments, leases and agreements described in Schedule 2.3(c) (to be attached on or before the Commencement Date) as to which LSU or LSUHSC-S is a party and that are utilized in the conduct of the Hospitals’ operations.

• **Permits.** To the extent assignable, all Permits utilized in the operation of the Hospitals (including applications therefor) described in Schedule 2.3(d) (to be attached on or before the Commencement Date).

• **Books and Records.** All Books and Records used or held for use in the operation of the Hospitals or otherwise relating to the Transferred Assets, other than the minute book or related corporate documents and corporate seal, if any, of LSUHSC-S (the “Books and Records”).

• **Claims.** To the extent permitted by law, all rights of LSUHSC-S under any claims, warranties, guaranties, refunds, causes of action, rights of recovery, rights of setoff and rights of recoupment of every kind and nature relating to the Transferred Assets.

• **Intellectual Property.** To the extent permitted by law and necessary for the ordinary operations of the Hospitals, all intellectual property (including any trademarks or copyrights) of LSU used in connection with the operation of the Hospitals which intellectual property will be transferred via license to BRFHH on terms comparable and consistent with the terms of this Agreement.

• **Section 2.4. Retained Liabilities.** LSU will retain all liabilities arising in connection with the operation of the Hospitals prior to the Commencement Date, including, but not limited to, (a) all of the LSUHSC-S pension obligations, (b) any and all civil servant termination pay, unemployment obligations and other post-employment benefit obligations to civil servants; (c) all liabilities and obligations to any third party payors, including any governmental payors, arising in connection with the operation of the Hospitals prior to the Commencement Date; (d) all liabilities and obligations arising from the closing cost report to be prepared as a result of a change of ownership; and (e) all liabilities for professional liability (malpractice) claims arising in connection with the operation of the Hospitals prior to the Commencement Date (collectively the “Retained Liabilities”).

• **FUNDING**

  **Required Funding.**

  **Rulemaking.** Subject to any approvals required by CMS, DHH shall publish and promulgate reimbursement rules which will provide that DHH will pay to BRFHH total funding obligations (“Required Program Funding” or “Required Funding”) as defined in Exhibits 3.1(a) and 3.1(b) (for Shreveport Hospital and E.A. Conway, respectively) (collectively the “Cost Analysis Worksheets”). Failure to publish and promulgate these rules, the amendment or repeal of these rules without the consent of BRFHH, the failure
to pay the Required Program Funding to BRFHH or a reduction in the amount of Required Program Funding in effect as of the Commencement Date will constitute a Terminating Event. Notwithstanding the foregoing, a reduction by the State in the overall funding available to pay all private non-state acute care hospital participants in the Medical Vendor Payment Program resulting in a reduction in the overall funding available to pay BRFHH will not constitute a Terminating Event as long as BRFHH continues to be paid 100% of its cost, subject to Cost Analysis Worksheets target threshold, using the funding methodologies described in Section 3.1(b) below.

Methodology. With respect to determining the Required Program Funding, BRF, BRFHH, and DHH agree that the funding methodologies set forth and embodied in the Cost Analysis Worksheets (the “Cost Methodology”) shall be used to determine the Required Program Funding, which calculations are based on estimates, payment sources and CMS cost reporting principles as they exist on the Commencement Date.

• Required Program Funding. As defined on the Cost Analysis Worksheets, Exhibits 3.1(a) and 3.1(b), the Required Program Funding shall equal the total of the program costs listed in Line 13, Column 4 of each Cost Analysis Worksheet, less the total DHH payments listed in Line 17, Column 4 of each Cost Analysis Worksheet.

• Aggregation of Caps for the Hospitals. Since BRFHH will operate the Hospitals as a system sharing in resources and efficiencies, the amount of costs in excess of the Caps described in lines 12 of the Cost Analysis Worksheets shall be applied in aggregate to the Hospitals. Hence, any amount in excess of the Cap in line 12 of one of the Hospital’s Cost Analysis Worksheet shall be offset by the amount under the Cap in line 12 of the other Hospital’s Cost Analysis Worksheet.

Modification to Methodology. So long as the assumptions, payment sources and CMS cost reporting principles of the Cost Analysis Worksheets remain as they are on the Commencement Date, BRFHH and DHH will continue to use the Cost Analysis Worksheets in determining the Required Program Funding for the period in question. In the event of a change in the assumptions, payment sources, and CMS cost reporting principles, the Parties to the Required Funding provisions agree that the methodology for determining Required Program Funding shall be modified to account for such changes in a manner that is revenue neutral to BRFHH with respect to the amounts that would have been paid had the Cost Methodology in effect as of the Commencement Date continued to be applied to determine the Required Funding. In that case, the affected party will provide the other party with written notice (a “Methodology Adjustment Notice”) of such request for modification, which notice shall include an explanation of why the Cost Analysis Worksheets are to be adjusted, and describe the proposed adjustments to the Cost Methodology, as applicable. DHH and BRFHH shall engage in good faith negotiations for a period of ten business (10) days following the receipt of the Methodology Adjustment Notice in an attempt to agree on any proposed adjustments to the Cost Methodology, as applicable. If DHH and BRFHH agree on the adjustments to the applicable Cost Methodology, such adjusted Cost Methodology shall be set forth in amended Cost Analysis Worksheets, as applicable, and shall apply in determining the Required Program Funding going forward from the date of the change which gave rise to the adjustment. The amended Cost Analysis Worksheets shall be attached to and made part of this Agreement as of the Cost Methodology change date. If DHH and BRFHH do not agree on any proposed adjustments to the applicable Cost Methodology within such ten (10) day period, such failure to reach agreement shall constitute a potential Terminating Event and BRFHH will have the option, subject to Sections 3.3 and 13.2(g), to initiate the Termination Process in accordance with Section 13.4. During the Wind Down Period the Required Program Funding shall be determined and paid in accordance
Processes for Payment and Addressing Inadequate Funding.

- **Payments.** DHH shall make payments to BRFHH based on the administrative rules described in Section 3.1(a). Medicaid per diem and other applicable payments pursuant to such rule shall be paid in accordance with DHH’s normal payment procedure. DHH shall make estimated prospective supplemental payments, with respect to Uncompensated Care Cost (“UCC”) and Disproportionate Share (“DSH”) amounts as will ultimately be determined in accordance with the Cost Analysis Worksheets. The prospective supplemental payment will be 85% of the estimated annual amount of UCC and shall be due no later than fifteen (15) days following the end of the first quarter of the State Fiscal Year (the “October UCC Payment”). BRFHH agrees to pay to LSUHSC-S that portion of the October UCC Payment for SFY 2014 for the period from July 1, 2013 until September 30, 2013 as reflected in Exhibits 3.1(a) and 3.1(b). BRFHH shall retain that portion of the October UCC Payment for SFY 2014 for the period from July 1, 2013 until September 30, 2013 based on the actual operating experience and final Medicaid cost reports of the Hospitals during LSUHSC-S’ operation of the Hospitals. DHH and BRFHH agree to adjust the estimated total UCC amount due for SFY 2014 for the period from October 1, 2013 until June 30, 2014 based on the actual operating experience and interim Medicaid cost reports of the Hospitals during BRFHH’s occupancy of the Facilities. DHH and BRFHH agree to periodically adjust the interim payment amounts and estimated annual UCC amount due based on the actual operating experience and interim Medicaid cost reports of the Hospitals during BRFHH’s operation of the Hospitals. BRFHH and LSUHSC-S will reconcile the Cost Analysis Worksheets for SFY 2014 no later than May 1st of SFY 2014, and DHH shall pay the balance of the interim estimated annual amount of UCC for SFY 2014 based on the reviewed reconciliation no later than June 30th of SFY 2014 (the “Balance UCC Payment”). BRFHH agrees to pay to LSUHSC-S that portion of the Balance UCC Payment for SFY 2014 for the period from July 1, 2013 until September 30, 2013. For SFY 2015 and thereafter, DHH and BRFHH agree to periodically adjust the interim payment amounts and estimated annual UCC amount due based on the actual operating experience and interim Medicaid cost reports of the Hospitals during BRFHH’s operation of the Hospitals. For SFY 2015 and thereafter, BRFHH will reconcile the Cost Analysis Worksheet no later than May 1st of the then-current State fiscal year, and DHH shall pay the balance of the interim estimated annual amount of UCC based on the reviewed reconciliation no later than June 30th of the then-current State fiscal year. Tentative and final settlement amounts will be based on as-filed and final audited cost reports and follow normal cost report settlement processes and DSH audit procedures. DHH and BRFHH shall establish a reasonable process for reconciling all costs and payments made pursuant to this Agreement and the repayment or offset of any differences resulting from such reconciliation.

- **Disputes Regarding Cost Calculations; Notice and Review.** In reconciling the payments due to BRFHH as provided in Section 3.1(d)(i), the Required Program Funding will be based on the Cost Methodology as applicable under Section 3.1(b). If DHH disagrees with the nature or amount of the costs submitted by BRFHH, DHH shall prepare its calculations of the Required Program Funding (the “DHH Funding Calculations”) and provide a copy of such calculations to BRFHH. BRFHH will have eighteen (18) Business Days (the “Funding Review Period”) to review the DHH Funding Calculations. If BRFHH agrees with the DHH Funding Calculations, the DHH Funding Calculations...
shall constitute the Required Program Funding for the period in question. If BRFHH disagrees with the DHH Funding Calculations, it shall provide written notice to DHH of the objection not later than the end of the Funding Review Period, which notice shall include a copy of BRFHH’s calculations of the Required Program Funding (the “BRFHH Funding Calculations”) and Section 3.1(d)(iii) shall apply.

- **Good Faith Negotiations.** If BRFHH timely delivers notice of objection as provided in Section 3.1(d)(ii) above, BRFHH and DHH will diligently work in good faith for a period of ten (10) Business Days to resolve the disputed amounts in the DHH Funding Calculations and the BRFHH Funding Calculations. Final determination of acceptable solutions pursuant to such good faith negotiations, if any, will reside with the BRFHH CEO and the Secretary of DHH. If BRFHH and DHH do not resolve such objections within such ten (10) Business Day period, the determination of Required Program Funding shall be submitted to an Academic Health System CPA as provided in Section 3.1(d)(iv) below.

- **Independent Review.** If BRFHH and DHH are not able to resolve the disputed amounts in the DHH Funding Calculations and the BRFHH Funding Calculations as provided in Section 3.1(d)(iii), such disputed amounts shall be submitted to an independent third party certified public accountant. Such certified public accountant must be nationally recognized and possess significant experience in the review and analysis of the financial and reimbursement operations of hospital systems and academic medical centers and may not have been engaged by BRFHH, LSU or DHH during the two (2) year period prior to delivery of the objection notice by BRFHH described in Section 3.1(d)(iii) above (an “Academic Health System CPA”). BRFHH and DHH shall select a mutually agreeable Academic Health System CPA meeting the requirements described above. If BRFHH and DHH cannot agree on an Academic Health System CPA within five (5) days of expiration of the ten (10) Business Day negotiation period in Section 3.1(d)(iii), each of BRFHH and DHH shall within five (5) business days of the expiration of such five (5) day period designate a certified public accountant (who will not be required to meet the experience requirements above) and those certified public accountants shall within five (5) business days select a mutually agreeable Academic Health System CPA. If the certified public accountants selected by BRFHH and DHH are unable to select an Academic Health System CPA by agreement, then such certified public accountants shall submit a request to the American Arbitration Association for appointment of an Academic Health System CPA. The appointment of the Academic CPA by the American Arbitration Association shall be final and binding on BRFHH and DHH, provided that nothing herein shall be construed as an intent to institute arbitration. Each of BRFHH and DHH shall be entitled to engage, at its own expense, any other professionals or advisors to assist in preparing or analyzing material to be presented to the Academic Health System CPA. The Academic Health System CPA so selected shall review the DHH Funding Calculations and the BRFHH Funding Calculations and render a written report to BRFHH and DHH within thirty (30) days of being engaged as to his or her conclusion as to what portion of the disputed amounts should be included in the Required Program Funding, determined by applying the Cost Methodology as applicable under Section 3.1(b). Such determination shall be final, binding and conclusive as to how to treat the disputed amounts in determining the Required Program Funding. If the report of the Academic Health System CPA verifies or validates the DHH Funding Calculations, the cost of the Academic Health System CPA will be borne by BRFHH. If the report of the Academic Health System CPA verifies or validates the BRFHH Funding Calculations, the cost of the Academic Health System CPA will be borne by DHH. The party whose Funding Calculations are farthest from the determined Funding Calculations shall pay the full costs of the Academic Health System CPA.
Request for Appropriations.

• Obligations Conditioned on Appropriations; Notice of Expected Event of Inadequate Funding. All payment obligations under this Agreement are subject to appropriation by the Louisiana Legislature of sufficient funds and the availability of funds following such legislative appropriation. If DHH becomes aware of circumstances that lead it to conclude that BRFHH is unlikely to receive the Required Program Funding without additional legislative appropriations, DHH shall immediately notify BRFHH and BRF of such conclusion and the amounts by which DHH expects payments to BRFHH will fall short of the Required Program Funding.

• Commissioner’s Required Efforts. The DOA, through the Commissioner of Administration, covenants to: (A) include in the annual budget proposal to the Legislature a request for the appropriation of funds necessary to pay to BRFHH for the State’s next fiscal year the Required Program Funding for such period; and (B) use its best efforts to get such budget amounts approved and funded by the Legislature. If the funds necessary to satisfy these budget amounts are appropriated, the DOA agrees to use its best efforts to ensure such funding is used for the intended purpose and use of such funds under this Agreement.

• DHH’s Required Efforts. DHH covenants to (i) include in its annual budget a request for the appropriation of funds necessary to pay to BRFHH for the State’s next fiscal year the Required Program Funding for such period, (ii) use its best efforts to get such budget amounts approved and funded by the Legislature and if such funds are appropriated, to provide such funding to BRFHH for the intended purpose and use of such funds under this Agreement, and (iii) if the funds necessary to prevent an event of Inadequate Funding are not specifically identified as such and appropriated to DHH by the Legislature, use its best efforts to allocate and pay such amounts to BRFHH from all appropriate funds available to DHH.

• LSU’s Required Efforts; Appropriation Contingency. LSU covenants to use its best efforts to support BRFHH, BRF, the Commissioner of Administration and DHH in their efforts to obtain the funding necessary to pay to BRFHH and its affiliates for the State’s next fiscal year the Required Program Funding for such period.

No Diminution in Funding. The State, acting through DOA and DHH, warrants that the payment of the Required Program Funding will not result in a diminution in funding to any BRF affiliate, unless such diminution is applicable to all similarly situated non-state owned private hospitals in the State of Louisiana. A violation of this Section 3.2 shall constitute a potential Terminating Event and BRFHH will have the option, subject to Sections 3.4 and 13.2(g), to initiate the Termination Process in accordance with Section 13.3.

Termination Considerations. In determining whether to exercise its option to initiate the Termination Process as the result of a Terminating Event arising under the provisions of this Article, BRFHH will consider the total amount of funds provided by the State and DHH to the Hospitals, BRFHH’s role as a non-profit health care provider, and the aggregate impact of financial reimbursement levels made with respect to Medicaid and indigent care services on the Hospitals, as well as funding to any BRF or BRFHH affiliate.

Payments During Termination Process and Wind Down Period Considerations. If BRF elects to initiate the Early Termination Process in accordance with Article XIII, during the Early Termination Process and the Wind Down Period, if applicable, DHH shall continue to pay BRFHH the Required Program Funding accruing during the Wind Down Period (collectively the “Transition Payments”). Notwithstanding the foregoing, DHH shall have a Cure Period
beginning on the first day of the Wind Down Period described above in which to pay all Required Program Funding accrued to but not yet paid to BRFHH. If such payment is made within such Cure Period, the Wind Down Period described above shall cease, the Termination by BRF shall not occur, and the Parties shall continue to operate pursuant to the terms of this Agreement. If all accrued Required Program Funding is not paid during the Cure Period, the Wind Down Period will continue uninterrupted. If BRFHH fails to receive all Transition Payments during the Wind Down Period, BRF shall provide written notice to LSU and DHH, and the CEA will terminate upon conclusion of the Wind Down Period.

Amendment. In the event that the state of Louisiana expands its Medicaid program to provide coverage to adults with income below 133% of the federal poverty line pursuant to the authority contained in Social Security Act section 1902(a)(10)(i)(VIII) (42 U.S.C. section 1396a(a)(10)(A)(i)(VIII)), as added by the Patient Protection and Affordable Care Act, then DOA, DHH and BRFHH agree to review, and if necessary, amend this Article to accommodate such expansion in such a manner as to continue to assure funding levels are comparable in terms of support for providing health care services to patients for whom health care services must be provided under the terms and conditions of this CEA. In the event that such funding is not reached, then the same shall constitute a Terminating Event.

*CLINICAL SERVICES*

- **Teaching Services: Patient Admission.**

- **Admissions to Teaching Service.** LSU will provide attending and supervising physicians to patients admitted to services utilizing Residents and Fellows, subject to the capacity of the Resident teams. The LSUHSC-S Teaching Service, subject to its capacity requirements, agrees to meet its legal obligation to provide certain necessary patient care services to uninsured and underinsured patients. Capacity of an LSUHSC-S Teaching Service will be limited by the applicable ACGME standards for Resident-to-patient ratios for the particular LSUHSC-S Teaching Service. The number of Residents available to provide inpatient services through the LSUHSC-S Teaching Services at BRFHH will be determined by the MAA, provided that such number will not be lower than the number of Residents available to provide inpatient services at the Hospitals on the Execution Date unless otherwise agreed by LSU and BRFHH. In addition to considerations to ensure the LSUHSC-S Teaching Services not exceed the maximum regulatory standards for Resident-to-patient ratios, patient admissions to the LSUHSC-S Teaching Services must also reflect the need for adequate patient volumes to meet the minimum ACGME or regulatory standards for Resident-to-patient ratios. Therefore, a sufficient volume of admissions must be maintained to at least the levels adequate to support the current GME programs provided at the Hospitals prior to the Execution Date.

- **Physician Coverage.** The Parties will use good faith efforts to develop mutually acceptable arrangements to provide for physician coverage for uninsured or underinsured patients who are not admitted to the LSU Teaching Service. Any such arrangements must comply with all applicable Legal Requirements and Health Care Laws, subject to available funding.

**BRFHH Uncompensated and Charity Care Obligations.** Recognizing: (a) the State’s historical commitment to providing free or reduced cost health care to the uninsured and Medically Indigent populations, as defined by Louisiana law; and (b) LSU’s mission of providing access to high quality medical care for all patients, the Medically Indigent and uninsured populations, within available financing and approved budgets, and (c) the need to support the AMC’s education and
training mission, BRFHH agrees, subject to its receipt of the Required Funding as provided in Article III, to provide free or reduced cost health care to Medically Indigent and uninsured patients of the Hospital in accordance with a charity care policy that is consistent in all material respects with LSUHSC-S’ current policy for determining eligibility for free or reduced cost health care services at the Hospitals, which may be amended from time-to-time by LSU or BRFHH with proper notice to LSU in a manner consistent with the Public Purpose.

**Care for High-Risk Medicaid Patients.** Recognizing LSU’s traditional role as a high-volume provider of health care services to patients covered by Medicaid, particularly medically complex and otherwise high-risk Medicaid patients, and the AMC’s capability and capacity to provide specialized physician and hospital care not always readily available to these patients in the private sector, BRFHH and LSU will make available the Key Services Lines as described in this Article IV to high-risk Medicaid patients in accordance with the terms of this Agreement.

**Mental Health.** LSU and BRFHH will work cooperatively with the Northeast Louisiana Service Office and the Northwest Louisiana Service Office and DHH Office of Mental Health to address the ongoing provision of mental health services in the Service Area.

**Inmate Care.** Subject to its receipt of reasonable cost reimbursement from the Louisiana Department of Corrections, BRFHH, with the support of LSU, will provide medically necessary health care to the State’s inmates. In the event BRFHH does not receive cost reimbursement from the Louisiana Department of Corrections, it may suspend the provision of health care services to State inmates, and the State shall arrange for alternative sources of medically necessary health care until such time as cost reimbursement is provided to BRFHH by the Louisiana Department of Corrections for such medically necessary services. Suspension of care to State inmates due to lack of cost reimbursement from the Louisiana Department of Corrections for such services shall not constitute a violation of this Agreement.

- **Core Services.** The Parties acknowledge and agree that the services identified in the MAA are core services (collectively, the “Core Services”) currently being provided to the North Louisiana Region through the Hospitals, and that BRFHH shall continue to provide the Core Services through the Hospitals or other facilities in the community on and after the Commencement Date, subject to the terms of this Agreement, including receipt of Required Program Funding. Except for reasons of (a) BRFHH’s inability to reasonably obtain qualified professional staff through LSU or other resources, or (b) a lack of Required Program Funding, BRFHH will not unilaterally discontinue any Core Services currently provided at or through the Hospital. Notwithstanding the foregoing, the Core Services and the MAA may be amended in the future to add or delete a Core Service by mutual agreement of LSU and BRFHH based on community need, patient access, cost, available resources and other relevant considerations.

**Key Service Lines.** The parties acknowledge and agree that the clinical service lines identified in the MAA (collectively, the “Key Service Lines”) are critical not only to comprehensive patient care, but also to the mission of providing robust medical education and clinical research experiences. LSU and BRFHH agree that, subject to BRFHH’s receipt of the Required Funding, the Hospitals will offer a baseline of services in the Key Service Lines at least at the level provided at the Hospitals on the Execution Date as agreed upon by BRFHH and LSU (the “Key Service Baseline”), and will work collaboratively with LSU to grow the Key Service Lines above the Key Service Baseline with a financially sustainable payer. Subject to receipt of the Required Funding, BRFHH will not eliminate or substantially reduce a Key Service Line below the Key Service Baseline.

**Telemedicine** Subject to receipt of the Required Funding, LSU will provide the physician support
and BRFHH will provide the infrastructure support, necessary to build and maintain the Hospitals’ telemedicine program. LSU and BRFHH will collaborate to grow the Hospitals’ telemedicine program, provided that a sustainable business model can be created and receipt of the Required Funding, to serve patients in remote locations and fulfill the Hospitals’ role as a regional referral center within the AMC.

**Closure; Reduction of Services.** BRFHH will not close the Hospitals or the Hospitals’ emergency rooms or reduce services except in compliance with any applicable Legal Requirements.

**Closed Medical Staff.** Consistent with LSUHSC-S’ academic mission, BRFHH will maintain a closed Medical Staff and require that all physicians applying for privileges at the Hospitals will have filed and been granted faculty positions at LSUHSC-S. The appointment of medical staff to faculty positions is at the sole discretion of the Dean of the Medical School.

**Training Affiliations.** BRFHH and LSUHSC-S agree to work cooperatively to keep in place and expand the affiliations the Hospitals currently have with the many colleges, universities and technical schools providing training of allied healthcare professionals.

* CAPITAL COMMITMENTS

Employee Benefits. To LSU’s Knowledge, no event has occurred that would result in, and consummation of the Contemplated Transactions shall not result in, BRFHH incurring any Liability for any Benefit Plan of LSU or to any employee of LSU with respect to such Benefit Plans, to the extent such plans are established and administered by LSU. LSU has and will comply with all of the requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) with respect to all of its employees, including but not limited to the LSU Personnel, before and after the Commencement Date.

Compliance with Laws. To LSU’s Knowledge, LSU Personnel have operated the
Hospitals and the LSUHSC-S GME Programs in material compliance with all applicable Legal Requirements, including applicable Health Care Laws. To LSU’s Knowledge, in connection with LSU’s operation of the Hospital and LSUHSC-S GME Programs: (i) neither LSU nor any LSU Personnel has received or made any payment or any remuneration whatsoever to induce or encourage the referral of patients or the purchase of goods and/or services as prohibited under any state law or Health Care Law; and (ii) no Governmental Body or third party payer has formally alleged in writing, and LSU has not received any written or other notice of, any violation of any Health Care Law within the last five (5) years. Without limiting the generality of the foregoing:

- **Permits, Licenses and Accreditation.** The Hospitals have all permits and licenses and other governmental authorizations required by all Legal Requirements and are not in violation of any of said permitting or licensing requirements. The Hospitals are owned and duly licensed by the State and operated by LSU as general acute care hospitals. LSU has all permits and licenses necessary for the proper operation of the Hospitals and LSUHSC-S GME Programs, including valid Medicare provider numbers. The LSUHSC-S GME Programs are accredited by ACGME and, to LSU’s Knowledge, are in compliance in all material respects with the ACGME requirements necessary for accredited GME Programs.

- **Medicare/Medicaid Participation.** The Hospitals and all LSU Personnel who are medical providers are participating in or otherwise authorized to receive reimbursement from Medicare and Medicaid. All necessary certifications and contracts required for participation in such programs are in full force and effect and have not been amended or otherwise modified, rescinded, revoked or assigned and, to LSU’s Knowledge, no condition exists or event has occurred which in itself or with the giving of notice or the lapse of time or both would result in the suspension, revocation, impairment, forfeiture or non-renewal of any such third-party payer program, or the obligation to make any repayment with respect to any federal health care program. None of the LSU Personnel is an Excluded Provider.

- **Fraud and Abuse.** Neither the Hospitals nor, to LSU’s Knowledge, LSU Personnel have engaged in any activities that are prohibited under any Health Care Law, or the regulations promulgated thereunder pursuant to such statutes, or related state or local statutes or regulations, or which are prohibited by rules of professional conduct, including the following: (i) knowingly and willfully making or causing to be made a false statement or representation of a fact in any application for any benefit or payment; (ii) knowingly and willfully making or causing to be made any false statement or representation of a fact for use in determining rights to any benefit or payment; (iii) knowingly and willingly concealing any event affecting the initial or continued right to receive any benefit or payment with intent to fraudulently secure such benefit or payment in an amount or quantity greater than that which is due or which is authorized; or (iv) knowingly and willfully soliciting or receiving any remuneration (including any kickback, bribe, or rebate), directly or indirectly, overtly or covertly, in cash or in kind or offering to pay or receive such remuneration: (1) in return for referring an individual to a person for the furnishing or arranging for the furnishing of any item or service for which payment may be made in whole or in part by Medicare or Medicaid; or (2) in return for purchasing, leasing, or ordering or arranging for or recommending purchasing, leasing or ordering any good, facility, service or item for which payment may be made in whole or in part by Medicare or Medicaid. LSU is not a party to any Corporate Integrity Agreement or similar settlement, compliance or oversight agreement with any Governmental Body relating to LSU’s services provided at the Hospitals.

**Legal Proceedings; Orders.** There is no pending Proceeding that challenges, any of the Contemplated Transactions. There is no Order to which LSU is subject that would limit or affect
LSU’s ability to enter into this Agreement or consummate the Contemplated Transactions.

Insurance; Malpractice. All clinical LSU Personnel have been continuously insured for professional malpractice claims during the lesser of: (a) the last three (3) years; or (b) the period during which such LSU Personnel has been authorized to provide professional medical services on behalf of LSU. All clinical LSU Personnel are qualified “state health care providers” as defined in LA R.S. 40:1299.39, et seq., and are thus named insureds covered under the State’s professional liability insurance administered through the Office of Risk Management. To the best of LSU’s knowledge, none of the LSU Personnel is in default with respect to any provision contained in any policy covering the professional acts of such LSU Party and none of them has failed to give any notice or present any claim under any such policy in a due and timely fashion. LSU has maintained in effect and continues to maintain in effect such other policies of insurance as are customary for an academic medical center of size and scope of the operations of LSU, with such limits and other terms of coverage as are commercially reasonable for an academic medical center similar in size and scope to LSU.

- Taxes

- Examinations. With respect to the Hospitals, LSU has, to its Knowledge filed, all federal, state, county and local tax returns it is required to file, including, without limitation, income, sales, single business, payroll, premium, withholding, informational, real estate, school and, personal property tax returns, required to be filed and, such returns have been duly prepared and filed and were true, correct, and complete. All taxes due by reason of the operations conducted by LSU with respect to the Hospital have, to LSU’s Knowledge, been paid, including, without limitation, all taxes which LSU is obligated to withhold from accounts owing to employees, creditors, and third parties. There is no tax lien, whether imposed by any federal, state, county or local taxing authority outstanding against the assets, properties or businesses of LSU as they relate to the Hospitals. Other than regular property assessments, there is no pending examination or proceeding by any authority or agency relating to the assessment or collection of any such taxes, interest, or penalties thereon, nor to LSU’s Knowledge do there exist any facts that would provide a basis for any such assessment. With respect to the Hospitals, LSU has not filed any consent or agreement to extend the period for assessment or collection of any such taxes.

- Federal Tax Exemption. Except as set forth in Schedule 8.7(b), each Hospital is exempt from Federal income tax and each Hospital is a “hospital” within the meaning of Section 170(b)(1)(A)(iii) of the Code. LSU is not aware of any proceeding, pending or threatened, or of any existing circumstances, which could reasonably be anticipated to result in the loss or revocation of any of the aforementioned exemptions held by LSU or the imposition of tax liability which would have a Material Adverse Effect on the business and operations of the Hospital.

- Contracts and Other Commitments

- Material Agreements. As of the Execution Date, LSU has provided or it will promptly thereafter provide to BRFHH copies of all material written agreements and all material oral understandings including, but not limited to, all material provider contracts, material management agreements, material leases and material services contracts to which the Hospitals will be subject on the Commencement Date (collectively, the “Material Contracts”). • **List of Health Care and Other Agreements.** Schedule 8.8(b) lists the following contracts, agreements and understandings, whether or not the same have been reduced to writing and whether or not the same constitute a Material Contract: (i) all agreements with health care providers from which the Hospitals receive referrals of patients; (ii) all agreements involving or affecting the Hospitals that are not terminable by LSU upon twelve (12) months or less notice; and (iii) all joint venture, partnership, residency training agreement or affiliation agreements involving or affecting the Hospitals.

• **Reimbursement Contracts.** Neither DHH nor CMS, during the past five (5) years, has refused to enter into or has terminated any participation agreement pursuant to which the Hospitals were entitled to reimbursement for services or facilities provided to patients. LSU is a party to contracts with Medicare and Medicaid with respect to payment for services to beneficiaries and is eligible to participate therein, which contracts and certification are currently in full force and effect, and, to LSU’s Knowledge, no event has occurred which, with or without the giving of notice or passage of time or both, would constitute a material default thereunder. **Cost Reports.**

• **Cost Reports; Copies; Filing; Disputes.** LSU has delivered to BRF true and exact copies of: (i) all cost reports that LSU has filed with Medicare and Medicaid for the last five (5) years with respect to the Hospitals, as well as all correspondence and other documents relating to any disputes and/or settlements with Medicare or Medicaid within the last five (5) years regarding the Hospitals; and (ii) all appraisal reports, surveys or other documents which evaluate or describe any of the assets of any of the Hospitals. The Medicare and Medicaid cost reports of the Hospitals were filed when due. Except for disputes between LSU and the intermediary which concern the payment of an individual claim (as opposed to such disputes concerning the right of LSU to receive Medicare or Medicaid reimbursement generally or to participate in the Medicare or Medicaid programs), there is no dispute between LSU and any governmental authorities or the Medicare fiscal intermediary regarding such cost reports other than with respect to adjustments thereto made in the ordinary course of business which do not involve amounts in excess of One Hundred Thousand Dollars ($100,000) in the aggregate.

• **Medicare and Medicaid Certification.** With respect to the Hospitals, LSU has met and does meet, without material exception, the conditions for participation in the Medicare and Medicaid programs, and LSU does not have Knowledge of any pending or threatened proceeding or investigation under such programs involving the Hospitals or any basis for the revocation or limitation on such participation. There is no pending or to LSU’s Knowledge, threatened criminal, civil, or administrative action, audit, or investigation by a fiscal intermediary or by the federal government with respect to the Hospitals, which could reasonably be anticipated to affect adversely the right of the Hospital to receive Medicare and Medicaid reimbursement or to participate in the Medicare and Medicaid programs, or which could reasonably be anticipated to otherwise have an adverse effect on the receipt of Medicare and Medicaid reimbursement by the Hospitals.

**Interim Changes.** Except as set forth in Schedule 8.11, after March 31, 2013, there has not been:

• Any change in the financial condition, assets, liabilities, properties or results of operation of either Hospital that has or would reasonably be expected to have, in the aggregate, a
Material Adverse Effect on such Hospital;

- Any damage, destruction or loss with respect to either Hospital, whether or not covered by insurance, that has or would reasonably be expected to have, in the aggregate, a Material Adverse Effect on such Hospital;

- Any disposition of any property, rights or other assets owned by or employed by either Hospital, other than in the ordinary course of business, that has or would reasonably be expected to have, in the aggregate, a Material Adverse Effect on such Hospital; or

- Any amendment or termination of any Material Contract of either Hospital that has or would reasonably be expected to have, in the aggregate, a Material Adverse Effect on such Hospital or the Provider Agreements.

Notwithstanding the foregoing, with respect to an indemnification claim based on fraud, the failure to perform any covenant or obligation in this Agreement and any other certificate or document delivered pursuant to this Agreement or the failure to pay any Retained Liability, a claim may be made at any time. Notwithstanding the foregoing, with respect to an indemnification claim based on a federal program recoupment action or violation of a Health Care Law, a claim may be made within the applicable statute of limitations.

Notwithstanding the foregoing, with respect to an indemnification claim based on fraud, a claim may be made at any time.

- To the extent permitted by applicable law, and except as otherwise provided in this Agreement, State, through DHH, will have liability (for indemnification for third party claims, for direct damages of any of the Parties or otherwise) for Damages as a result of a breach of any representation or warranty in this Agreement, or any related agreement,
document or instrument to which the State is a party through DHH, by the State; provided, however, that the State’s obligation under this Section 15.2(a)(iii) shall only apply if, on or before the third (3rd) anniversary of the Commencement Date, the State is notified of a claim specifying the factual basis of the claim in reasonable detail to the extent then known by the Party asserting such claim. Notwithstanding the foregoing, with respect to an indemnification claim based on fraud, a claim may be made at any time.

• Except as otherwise provided in this Agreement, BRFHH will have liability (for indemnification for third party claims, for direct damages of any of the Parties or otherwise) for Damages as a result of: (1) a breach of any representation or warranty in this Agreement, or any related agreement, document or instrument to which it is a party, by BRFHH; or (2) the actions or failure to act by the employees or agents of BRFHH; provided, however, that BRFHH’s obligation under this Section 15.2(a)(iv) shall only apply if, on or before the third (3rd) anniversary of the Commencement Date, BRFHH is notified of a claim specifying the factual basis of the claim in reasonable detail to the extent then known by the Party asserting such claim. Notwithstanding the foregoing, with respect to an indemnification claim based on fraud, a claim may be made at any time.

• Indemnification Process for Third Party Claims.

• Promptly after receipt by a Party entitled to indemnification under this Article XV (an “Indemnified Person”) of notice of the assertion of a claim for Damages by any third party against such Party (a “Third-Party Claim”), such Indemnified Person shall give notice to the Party(ies) obligated to provide indemnification under this Article XV (an “Indemnifying Person”) of the assertion of such Third-Party Claim; provided however, that the failure to notify the Indemnifying Person of any Third-Party Claim will not relieve the Indemnifying Person of any liability that it may have to any Indemnified Person, except to the extent that the Indemnifying Person demonstrates that the defense of such Third-Party Claim is prejudiced by the Indemnified Person’s failure to give such notice.

• If an Indemnified Person gives notice to the Indemnifying Person pursuant hereto of the assertion of a Third-Party Claim, the Indemnifying Person shall be entitled to participate in the defense of such Third-Party Claim and, to the extent that it wishes, unless: (1) the Indemnifying Person is also a Person against whom the Third-Party Claim is made and the Indemnified Person determines in good faith that joint representation would be inappropriate; or (2) the Indemnifying Person fails to provide reasonable assurance to the Indemnified Person of its financial capacity to defend such Third-Party Claim and provide indemnification with respect to such Third-Party Claim, to assume the defense of such Third-Party Claim with counsel satisfactory to the Indemnified Person. After notice from the Indemnifying Person to the Indemnified Person of its election to assume the
defense of such Third-Party Claim, the Indemnifying Person shall not, so long as it diligently conducts such defense, be liable to the Indemnified Person under this Article XV for any fees of other counsel or any other expenses with respect to the defense of such Third-Party Claim, in each case subsequently incurred by the Indemnified Person in connection with the defense of such Third-Party Claim, other than reasonable costs of investigation. If the Indemnifying Person assumes the defense of a Third-Party Claim, no compromise or settlement of such Third-Party Claim may be effected by the Indemnifying Person without the Indemnified Person’s Consent unless: (A) there is no finding or admission of any violation of a Legal Requirement or any violation of the rights of any Person; (B) the sole relief provided is monetary damages that are paid in full by the Indemnifying Person; and (C) the Indemnified Person shall have no liability with respect to any compromise or settlement of such Third-Party Claims effected without its consent.

• Notwithstanding the foregoing, if an Indemnified Person determines in good faith that there is a reasonable probability that a Third-Party Claim may adversely affect it other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the Indemnified Person may, by notice to the Indemnifying Person, assume the exclusive right to defend, compromise or settle such Third-Party Claim, but the Indemnifying Person will not be bound by any determination of any Third-Party Claim so defended for the purposes of this Agreement or any compromise or settlement effected without the Indemnifying Person’s consent, which may not be unreasonably withheld.

• With respect to any Third-Party Claim subject to indemnification under this Article: (1) both the Indemnified Person and the Indemnifying Person, as the case may be, shall keep the other Party fully informed of the status of such Third-Party Claim and any related Proceedings at all stages thereof where such Person is not represented by its own counsel, and (2) the Parties agree (each at its own expense) to render to each other such assistance as they may reasonably require of each other and to cooperate in good faith with each other in order to ensure the proper and adequate defense of any Third-Party Claim.

• With respect to any Third-Party Claim subject to indemnification under this Article, the Parties agree to cooperate in such a manner as to preserve in full (to the extent possible) the confidentiality of all Confidential Information and the attorney-client and work-product privileges. In connection therewith, each Party agrees that, to the extent allowed by law: (1) it will use its commercially reasonable efforts, in respect of any Third-Party Claim in which it has assumed or participated in the defense, to avoid production of Confidential Information (consistent with applicable law and rules of procedure), and (2) all communications between any Party hereto and counsel responsible for or participating in the defense of any Third-Party Claim shall, to the extent possible, be made so as to preserve any applicable attorney-client or work-product privilege.

• Other Claims. A claim for indemnification for any matter not involving a Third-Party Claim may be asserted by notice to the party from whom indemnification is sought and shall be paid promptly after such notice.

No Party shall have the right to terminate this Agreement for a non-Terminating Event except by authority of a final order of a court of competent jurisdiction after all rights of appeal have been exhausted.

Public Announcements. Any public announcement, press release or similar publicity with respect to entering this Agreement or the Contemplated Transactions will be issued in the best interests of the Parties.

- **Confidential Information. Use of Confidential Information.** Subject to Section 16.6(h), except as otherwise required by any Legal Requirement, each Receiving Party acknowledges the confidential and proprietary nature of the Confidential Information of the Disclosing Party and agrees that such Confidential Information to the extent allowed by law: (i) shall be kept confidential by the Receiving Party; (ii) shall not be used for any reason or purpose other than to evaluate and consummate the Contemplated Transactions; and (iii) without limiting the foregoing, shall not be disclosed by the Receiving Party to any Person, except in each case as otherwise expressly permitted by the terms of this Agreement or with the prior written consent of an authorized representative of LSU with respect to Confidential Information of LSU or the BRF CEO with respect to Confidential Information of BRF, or the BRFHH CEO with respect to the Confidential Information of BRFHH. Each of BRF, BRFHH and LSU shall disclose the Confidential Information of the other Party(ies) only to its representatives who require such material for the purpose of evaluating the Contemplated Transactions and are informed by LSU or BRF or BRFHH, as the case may be, of the obligations of this Article with respect to such information. Each of LSU, BRF and BRFHH shall: (aa) enforce the terms of this Article as to its respective representatives; (bb) take such action to the extent necessary to cause its representatives to comply with the terms and conditions of this Article; and (cc) be responsible and liable for any Breach of the provisions of this Article by it or its representatives.

- **Exceptions.** This Section 16.6 does not apply to that part of the Confidential Information of a Disclosing Party that a Receiving Party demonstrates: (i) was, is or becomes generally available to the public other than as a result of a Breach of this Article or the Confidentiality Agreement by the Receiving Party or its representatives; (ii) was or is
developed by the Receiving Party independently of and without reference to any Confidential Information of the Disclosing Party; or (iii) was, is or becomes available to the Receiving Party on a non-confidential basis from a third party not bound by a confidentiality agreement or any legal, fiduciary or other obligation restricting disclosure.

- **Legal Proceedings.** Subject to Section 16.6(h), if a Receiving Party becomes compelled in any Proceeding or is requested by a Governmental Body having regulatory jurisdiction over the Contemplated Transactions to make any disclosure that is prohibited or otherwise constrained by this Article, that Receiving Party shall provide the Disclosing Party with prompt notice of such compulsion or request so that it may seek an appropriate protective order or other appropriate remedy or waive compliance with the provisions of this Article. In the absence of a protective order or other remedy, the Receiving Party may disclose that portion (and only that portion) of the Confidential Information of the Disclosing Party that, based upon advice of the Receiving Party’s counsel, the Receiving Party is legally compelled to disclose or that has been requested by such Governmental Body, provided, however, that the Receiving Party shall use reasonable efforts to obtain reliable assurance that confidential treatment will be accorded by any Person to whom any Confidential Information is so disclosed. The provisions of this Section do not apply to any Proceedings among the Parties to this Agreement.

- **Return or Destruction of Confidential Information.** Except as required by any Legal Requirement, if this Agreement is terminated, each Receiving Party shall, to the extent allowed by law: (i) destroy all Confidential Information of the Disclosing Party prepared or generated by the Receiving Party without retaining a copy of any such material; (ii) promptly deliver to the Disclosing Party all other Confidential Information of the Disclosing Party, together with all copies thereof, in the possession, custody or control of the Receiving Party or, alternatively, with the written consent of the Disclosing Party, destroy all such Confidential Information; and (iii) certify all such destruction in writing to the Disclosing Party, provided, however, that the Receiving Party may retain a list that contains general descriptions of the information it has returned or destroyed to facilitate the resolution of any controversies after the Disclosing Party’s Confidential Information is returned.

- **Attorney-Client Privilege.** The Disclosing Party is not waiving, and will not be deemed to have waived or diminished, any of its attorney work product protections, attorney-client privileges or similar protections and privileges as a result of disclosing its Confidential Information (including Confidential Information related to pending or threatened litigation) to the Receiving Party, regardless of whether the Disclosing Party has asserted, or is or may be entitled to assert, such privileges and protections. The Parties: (i) share a common legal and commercial interest in all of the Disclosing Party’s Confidential Information that is subject to such privileges and protections; (ii) are or may become joint defendants in Proceedings to which the Disclosing Party’s Confidential Information covered by such protections and privileges relates; (iii) intend that such privileges and protections remain intact should either party become subject to any actual or threatened Proceeding to which the Disclosing Party’s Confidential Information covered by such protections and privileges relates; and (iv) intend that after the consummation of the Contemplated Transactions the Receiving Party shall have the right to assert such protections and privileges. No Receiving Party shall admit, claim or contend, in Proceedings involving either Party or otherwise, that any Disclosing Party waived any of its attorney work-product protections, attorney-client privileges or similar protections and privileges with respect to any information, documents or other material not disclosed to a Receiving Party due to the Disclosing Party disclosing its Confidential Information (including Confidential Information related to pending or threatened litigation) to the Receiving Party.
• **Trade Secret Protection.** Any trade secrets of a Disclosing Party shall also be entitled to all of the protections and benefits under applicable trade secret law and any other applicable law. If any information that a Disclosing Party deems to be a trade secret is found by a court of competent jurisdiction not to be a trade secret for purposes of this Article, such information shall still be considered Confidential Information of that Disclosing Party for purposes of this Article to the extent included within the definition. In the case of trade secrets, each Party hereby waives any requirement that the other Party submit proof of the economic value of any trade secret or post a bond or other security.

• **HIPAA Override.** Notwithstanding anything to the contrary in this Agreement, any Confidential Information which constitutes “protected health information” as defined in HIPAA shall be maintained by the Parties in accordance with the provisions of HIPAA and the Health Information and Technology Act (“HITECH”), and the rules and regulations promulgated thereunder in each case, and such provisions, rules and regulations shall take precedence over any other provisions of this Agreement governing Confidential Information to the extent there is a conflict between the terms of this Agreement and such provisions, rules and regulations of HIPAA and HITECH and each Party will act in accordance therewith.

• **Public Records Request.** The financial and other records created by, for or otherwise belonging to BRF or BRFHH shall remain in the possession, custody and control of BRF and BRFHH, respectively, regardless of whether, or the method by which, LSU reviews and/or audits such records in connection with the rights and obligations of this Agreement. LSU, BRF and BRFHH consider records of BRF to be proprietary to BRF, and records of BRFHH to be proprietary of BRFHH, and, to the extent that BRF or BRFHH makes any such records or documents available to LSU, such records shall be clearly marked as confidential and/or proprietary to indicate its or their position that such records or documents are not public records. To the extent a public records request is received by LSU pursuant to La. R.S. 44:1, et seq. (the “Public Records Act”) which may include documents marked as confidential and/or proprietary to BRF or BRFHH, LSU will use its best efforts to give notice to BRF or BRFHH, as applicable, that LSU has received such a public records request prior to producing any documents considered to be proprietary to BRF or BRFHH, and if such notice cannot be provided to BRF or BRFHH before LSU is required to produce such documents, LSU shall provide notice to BRF or BRFHH, as applicable, as soon thereafter as possible. In the event that BRF or BRFHH objects to the production and believes that the records are not subject to production pursuant to the Public Records Act, BRF or BRFHH, as appropriate, will immediately so notify LSU in writing and take such action as BRF or BRFHH deems necessary to protect the disclosure of such records. In the event of a final, binding, non-appeal judgment that LSU’s refusal to produce such documents was in violation of the Public Records Law, BRF and BRFHH will indemnify and hold harmless LSU and the State, their employees, attorneys and agents from and against any costs, expenses, liabilities, attorneys’ fees, losses, damages, fines and/or penalties resulting from or relating to LSU’s failure to produce such documents in response to a public records request.

**Notice of Force Majeure.** In the event of a failure or anticipated failure by any Party to perform its obligations hereunder caused by Force Majeure, such Party shall provide notice to the other Parties within thirty (30) days of the occurrence of such Force Majeure event causing such failure or anticipated failure. A Party’s failure to perform due to a Force Majeure shall not constitute a breach.

**Notices.** Except as otherwise provided in this Agreement, any notice, payment, demand, request or communication required or permitted to be given by any provision of this Agreement shall be in writing and shall be duly given by the applicable Party if personally delivered to the applicable

Jurisdiction; Service of Process. Any Proceeding arising out of or relating to this Agreement or any Contemplated Transaction may be brought in the Nineteenth Judicial District for the Parish of East Baton Rouge, Louisiana, or, if it has or can acquire jurisdiction, in the United States District Court for the Middle District of Louisiana, and each of the Parties irrevocably submits to the exclusive jurisdiction of each such court in any such Proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement or any Contemplated Transaction in any other court; provided, however, that nothing herein is intended, nor shall it be deemed or interpreted, to waive any rights, privileges, or immunities available to any Party under the Eleventh Amendment. The Parties agree that any of them may file a copy of this Section with any court as written evidence of the knowing, voluntary and bargained agreement between the Parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this section may be served on any party anywhere in the world.

Enforcement of Agreement; Legal Fees and Costs. Subject to the limitation on equitable or injunctive relief set forth in Section 16.4(c), each Party acknowledges and agrees that the other Parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any Breach of this Agreement by a Party could not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which a Party may be entitled, at law or in equity, it shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches pursuant to Legal Requirements, without posting any bond or other undertaking. In the event that either Party elects to incur legal expenses to enforce or interpret any provision of this Agreement, the prevailing Party will be entitled to recover such legal expenses, including, without limitation, reasonable attorneys’ fees, costs and necessary disbursements, in addition to any other relief to which such Party shall be entitled.

Entire Agreement and Modification. This Agreement supersedes all prior agreements, whether written or oral, among the Parties with respect to its subject matter and constitutes (along with the other documents and Exhibits delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the Parties with respect to its subject matter. This Agreement may not be amended, supplemented, or otherwise modified except by a written agreement executed by LSU, DOA, DHH, BRF and BRFHH.

Assignments, Successors and No Third-Party Rights. No Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Parties. Subject to the preceding sentence, this Agreement will apply to, be binding in all respects upon and inure to the benefit of the successors and permitted assigns of the Parties. Nothing expressed or referred to in this Agreement will be construed to give any Person other than the Parties to this Agreement any legal or equitable right, remedy or claim under or with respect to this Agreement or any provision of this Agreement, except such rights as shall inure to a successor or permitted assignee pursuant to this Section.

Severability and Reformation. If any term, provision, covenant or condition of this Agreement is held unenforceable or invalid for any reason and not susceptible to reformation due to a change in applicable Legal Requirements, the remaining portions or provisions shall continue in full force and effect, unless the effect of such severance would be to substantially alter this Agreement or
obligations of the parties, in which case this Agreement may be immediately terminated.

Construction. The headings of Articles and Sections in this Agreement are provided for convenience only and will not affect its construction or interpretation. All references to “Articles,” and “Sections” refer to the corresponding Articles and Sections of this Agreement.

Time of Essence. With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

Governing Law. This Agreement will be governed by and construed under the laws of the State of Louisiana without regard to conflicts-of-laws principles that would require the application of any other law.

Execution of Agreement. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Agreement and of signature pages by facsimile transmission shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of the original Agreement for all purposes. Signatures of the Parties transmitted by facsimile shall be deemed to be their original signatures for all purposes.

Compliance with Health Care Laws. This Agreement is intended to comply with all Health Care Laws and nothing herein is intended to require, nor shall the Agreement be construed or interpreted as requiring, directly or indirectly, explicitly or implicitly, any Party to take any action that would violate any Health Care Law.

Access to Records. To the extent that the services provided under this Agreement are deemed by the Secretary of the Department of Health and Human Services, the U.S. Comptroller General, or the Secretary’s or Comptroller’s delegate, to be subject to the provisions of Section 952 of Public Law 96-499, the Parties, until the expiration of four (4) years subsequent to the furnishing of services under this Agreement, shall make available, upon written request to the Secretary, the Comptroller, or any of their duly authorized representatives this Agreement, and the books, documents and records of the Parties that are necessary to certify the nature and extent of the charges to each Party. If any Party carries out any of its duties under the Agreement through a subcontract, with a value of $10,000 or more over a twelve (12)-month period, with a related organization (as that term is defined with regard to a provider in 42 C.F.R. § 413.17(b)(1)), such subcontract shall contain a clause to the effect that until the expiration of four (4) years after the furnishing of such services pursuant to such subcontract, the related organization upon written request shall make available, to the Secretary, the Comptroller, or any of their duly authorized representatives the subcontract, and books, documents, and records of such organization that are necessary to verify the nature and extent of such costs. If any Party is requested to disclose any books, documents, or records relevant to this Agreement for the purpose of an audit or investigation relating directly to the provision of services under this Agreement, such Party shall notify the other Parties of the nature and scope of such request and shall make available to the other Parties, upon written request, all such books, documents, or records. This Section is included pursuant to and is governed by the requirements of federal law. No attorney-client, accountant-client, or other legal privilege will be deemed to have been waived by the Parties or any of the Parties’ representatives by virtue of this Agreement.

Names and Trademarks. Except as provided in this Agreement and the MCA, no Party will use any other Party’s name, symbol, or trademark in any marketing, advertising, or any other public communications without the prior written consent of such Party regarding the use of its name, symbol, or trademark.
• **Cost-Report Matters.**

- LSU shall prepare and timely file all cost reports with respect to the Hospitals relating to the periods ending prior to Commencement Date, including those relating to Medicare and other third-party payors that settle on a cost-report basis (the “**LSU Cost Reports**”). As part of compliance with this provision, LSU shall prepare and timely file all termination cost reports with respect to the Hospitals relating to the periods ending prior to Commencement Date (“**Termination Cost Reports**”). The Termination Cost Reports shall be filed by LSU in a manner consistent with (i) prior cost reports filed by LSU with respect to the Hospitals, and (ii) applicable laws, rules and regulations. At least ten (10) days prior to the filing of any LSU Cost Reports or Termination Cost Reports, LSU shall forward them to BRFHH for its review. BRFHH shall provide any comments to such cost reports within five (5) days prior to the filing date. BRFHH shall forward to LSU any and all correspondence that it may receive relating to the LSU Cost Reports or Termination Cost Reports or rights to settlements and retroactive adjustments on the LSU Cost Reports or Termination Cost Reports ("**Agency Settlements**") within fifteen (15) business days of receipt by BRFHH; provided, however, that BRFHH shall forward such correspondence to LSU sooner if necessary for LSU to comply with a deadline stated in such correspondence. Except as provided in part (c) below, LSU shall retain all rights to all the LSU Cost Reports and the Termination Cost Reports, including, subject to the provisions of this Agreement, any payables resulting therefrom or receivables relating thereto, and the right to appeal any third-party payor determinations relating to the Agency Settlements. If LSU declines to pursue any appeal with respect to any LSU Cost Reports or Termination Cost Reports that may have a financial impact on BRFHH, BRFHH shall have the right, but not the obligation, to pursue the appeal on behalf of LSU, and LSU shall take all steps reasonably necessary to enable BRFHH to pursue such appeal.

- Upon reasonable notice and during normal business office hours, BRFHH shall reasonably cooperate with LSU regarding the preparation, filing, handling, and appeals of the LSU Cost Reports, including the Termination Cost Reports. Upon reasonable notice and during normal business office hours, BRFHH shall reasonably cooperate with LSU in connection with any cost-report disputes, appeals or other claim-adjudication matters relative to a governmental program reimbursement. Such cooperation shall include the providing of statistics and obtaining of files at the Hospitals, and the coordination with LSU, pursuant to adequate notice of Medicare and other third-party payor exit conferences or meetings. BRFHH shall, upon reasonable notice, during normal business office hours and at the sole cost and expense of LSU, and subject to applicable law regarding confidentiality of patient records, provide LSU reasonable access to relevant records of the Hospitals, and shall allow LSU and their representatives to copy any documents relating to the LSU Cost Reports and appeals thereof.

- LSU shall cooperate with BRFHH or its designee in filing amendments to any of the LSU Cost Reports or the Termination Cost Reports previously filed by LSU for the Hospitals that are reasonably requested by BRFHH and that are likely to result in the recovery of additional reimbursement to the Hospitals for services provided prior to the Commencement Date. Should any amendments to any of the LSU Cost Reports or the Termination Cost Reports previously filed by LSU for the Hospitals result in the recovery of additional reimbursement to the Hospitals for services provided prior to the Commencement Date, such additional reimbursement shall be divided sixty percent (60%) to BRFHH and forty percent (40%) to LSUHSC-S after all costs of preparing and filings such amendments are paid.

**BRF and BRFHH Not Intended to be Public Bodies.** Nothing in this Agreement is
intended, and it is not the intent of the Parties, DOA or DHH, to cause or result in BRF or BRFHH being considered a public or quasi-public body, governmental authority or subdivision thereof, other public entity or otherwise subject to public inspection laws of the State, public audit, public meeting, or other disclosure procedures generally applicable to public bodies in the State.

**Legislative Auditor.** It is hereby agreed that the State and/or the Louisiana Legislative Auditor shall have the option of auditing all accounts of BRFHH which relate to this Agreement. Such audits shall be done during customary business hours upon reasonable prior written notice.

**Non-Discrimination Clause.** BRFHH agrees to abide by the requirements of the following as applicable: Title VI of the Civil Rights Act of 1964 and Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972, Federal Executive Order 11246 as amended, the Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran’s Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1975, the Fair Housing Act of 1968 as amended, and BRFHH agrees to abide by the requirements of the Americans with Disabilities Act of 1990. BRFHH agrees not to discriminate in its employment practices, and will render services under this Agreement without regard to race, color, religion, sex, national origin, veteran status, political affiliation, or disabilities.

**Further Acts and Assurances.** Each of the Parties shall, at any time and from time to time at and after the execution of this Agreement, upon reasonably request of another Party, take any and all steps reasonably necessary to consummate the Contemplated Transactions, and will do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acts, deeds, assignments, transfers, conveyances, powers of attorney and assurances as may be required to consummate the Contemplated Transactions.
